The International Conference of Social Sciences and Humanities (ICOSSH 2019) is an international conference organized by the Department of Social Science, University Putra Malaysia Bintulu Campus. It aims to become a platform for sharing and fostering knowledge in all disciplines of social sciences and humanities. This conference offers opportunities of interactions between local and global scholars, academics and non-academics, and individuals who can contribute in varied ways to our shared mission of promoting international scholarly exchange and facilitating global intercultural awareness. This flagship conference by University Putra Malaysia Bintulu Campus envisages interdisciplinary discussions and promotes new knowledge in the broad fields of social sciences and humanities.

This year, ICOSSH 2019 upholds the theme ‘Integrating the Culture and Civilization of the Nusantara: Perspectives of the Social Sciences and Humanities’. The conference includes studies within the area of social sciences such as language, literature, history, politics, archeology, culture, religion, security, psychology and others.

ICOSSH 2019 provides opportunities for academicians, researchers and graduate students from all over the world with keen interests in studies related to NUSANTARA to interact, discuss and debate on issues related to the fields mentioned above. The conference also serves as a platform for researchers to present new findings from their research and explore new collaboration.

Objectives
- To establish networking among academicians through interaction and exchanging of knowledge and research findings.
- To provide a platform for researchers to discuss contemporary issues based on their areas of research interest and specialization.
- To explore new collaboration among academicians, universities and organizations who are interested in pursuing research work.
